

Branch Support Survey

Dear Branch,

For some time now we have been trying to communicate with branches regarding Pride events in your local area with limited success.

In order for us to better understand the support available to members and assist with events in branches and the areas you cover, can you please provide the following information

Do you have a branch LGBT+ Officers position? YES ☐ NO ☐

Do you currently have an LGBT+ officer in post? YES ☐ NO ☐

If so are they happy to share their contact details with us?

YES ☐ NO ☐

If yes please provide details below or provide a named branch contact:

Name	
Branch	
Role	
Email Address	

We ask that Branches work together to support pride events across Scotland. Our wish is that you would liaise with branches in your area to form a local pride group and feedback information to us as your regional committee.

Would you be willing to lead on such a collaboration and help to organise this?

YES ☐ NO ☐

We look forward to working together on future projects for LGBT+ equality.

Best Wishes

UNISON Scotland LGBT+ Committee
